A. Contractor shall indemnify, defend, and save harmless the District and its officials, agents, servants, and employees from and against any claim, demand, or cause of action of whatsoever kind or nature arising out of error, omission or negligent act of Contractor, its agents, servants, or employees in the performance of services under this Agreement.

Any defects noted within this time period shall be timely corrected by Contractor at Contractor's expense. Contractor shall make the necessary corrections within ten (10) days of receipt of the written notice from District. To the extent any Contractor's or manufacturer's warranty, if any, is greater than that which is provided for in this Section 11, the longer warranty shall prevail.

B. Within ten (10) calendar days after being notified in writing of defective work, should the Contractor fail or refuse to correct any defective work performed, or to make any necessary repairs in a manner acceptable to the District and in accordance with the requirements of the Agreement, within the same time stated in said written notice, the District may cause the unacceptable or defective work to be corrected, or authorize such repairs, which the Contractor has filed or refused to make after being duly notified shall be paid for out of any monies due or which may become due the Contractor under this Agreement. All costs and expenses incurred by reason of Contractor's default thereby shall be charged against the defaulting Contractor and the amount thereof deducted from any monies due, or which may become due him. District and Contractor shall not continue to complete the Project required by this Agreement unless all required insurance remains in full force and effect.

B. NO MONETARY DAMAGES SHALL BE CLAIMED BY OR AWARDED TO CONTRACTOR IN ASSOCIATION WITH ANY SUCH DELAY(s) IN THE PROJECT.

C. Failure on the part of Contractor to timely process a request for an extension of time to complete the work shall constitute a waiver by Contractor and Contractor shall be held responsible for completing the work within the time allocated by this Agreement.

D. All requests for extension of time to complete the work shall be made in writing to the District.
